RE: GMA Update Grant Application

Greetings:

I, William A. Finn, Mayor of Woodland, authorize the city to propose the attached scope of work and budget request for Growth Management Act Periodic Update grant funding.

The grant will provide the city an opportunity to update the City of Woodland Comprehensive Plan. We understand that the periodic update of the Comprehensive Plan will need to address the latest legislative changes including those from the 2021-2022 Legislative Session as outlined in the Periodic Update Checklist provided by the Washington State Department of Commerce.

We agree to adopt an updated Comprehensive Plan with the vision and goals of the community, and that will reflect the City's values while meeting the requirements of the grant and the Growth Management Act.

Respectfully,

A handwritten signature in blue ink, appearing to read "William A. Finn".

William A. Finn
Mayor
City of Woodland
