

STATE ENVIRONMENTAL POLICY ACT

Determination of Non-Significance

October 7, 2021

Proposal Name: City of Woodland 2020 Water System Plan

Agency File Number: SEP-21-010

Agency Contact: City of Woodland Public Works Department
230 Davidson Avenue
PO Box 9
Woodland, WA 98674
(360) 225-7999

Lead Agency: City of Woodland

Description of proposal: The City of Woodland proposed to adopt a new Water System Plan, as required by the Washington State Department of Health and WAC 246-290-100. The WSP is updated every 10 years and provides a detailed overview of the City's water system and contains a Capital Improvement Plan describing specific projects that are identified for future implementation based on the projected growth of the City's water system customers.

Location of proposal: Citywide

Threshold Determination: The Lead Agency for this proposal has determined that this proposal will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed Environmental Checklist and other information on file with the Lead Agency. This information is available to the public on request.

This DNS is issued under WAC 197-11-340(2). Written comments may be submitted to the lead agency at the address below. Comments must be received by 5:00 p.m. on October 27, 2021.
