STATE ENVIRONMENTAL POLICY ACT
Determination of Non-Significance

7/21/22

Lead agency: *City of Woodland*

Agency Contact: *Travis Goddard, goddardt@ci.woodland.wa.us, 360-225-7299*

Agency File Number: SEP-22-008

Description of proposal: *Lakeshore Drive sanitary and water improvement project: Ductile iron watermain installation and PVC Sanitary Sewer extension in Lakeshore Drive between Goerig Street and Island Aire Drive in Woodland, Washington.*

Location of proposal: *Lakeshore Drive between Goerig Street and Island Aire Drive*

Applicant: *Kathryn Myklebust, Engineering Aide, myklebustk@ci.woodland.wa.us, 360-225-7999.*

City of Woodland has determined that this proposal will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). We have reviewed the attached environmental checklist and site plans. This information is attached and available at www.ci.woodland.wa.us on the City Projects page.

This determination is based on the following findings and conclusions:

Stormwater will be managed throughout construction and the proposed improvements are within an existing roadbed.

This DNS is issued under WAC 197-11-340(2) and the comment/appeal period will end at 5:00 pm on **August 12th, 2022.**
