Hello Emily,

I have checked both of these reports in to WISAARD. I am still waiting to see the SEPA checklists for both, but I have done an initial review and have no specific concerns for either location.

Best,  
Stephanie

Hi Stephanie,

I've submitted two reports for project areas in close proximity to one another. They are listed under the two DAHP project numbers listed in the subject. While they are formal surveys they were conducted under SEPA. When you are next able, please send me a confirmation of receipt for the reports. Thank you.

Best,  
- Emily
