*STATE ENVIRONMENTAL POLICY ACT*  
**Optional Determination of Non-Significance**

04/17/23

**Lead agency:** *City of Woodland*

**Agency Contact:** *Travis Goddard, [goddardt@ci.woodland.wa.us](mailto:goddardt@ci.woodland.wa.us), 360-225-7299*

**Agency File Number:** SEP 23-007

**Description of proposal:** *Project involves the construction of a new potable water reservoir (#4) with a nominal volume of 1.5 million gallons, on the city water treatment plant site. The reservoir will be a ground level tank with an approximate 106-foot diameter and 29-foot height.*

**Location of proposal:** *130 Scott Hill Road, Woodland WA, 98674*

**Applicant:** *City of Woodland, Kathryn Myklebust, Engineering Technician, [myklebustk@ci.woodland.wa.us](mailto:myklebustk@ci.woodland.wa.us), 360-225-7999.*

The City of Woodland has determined that this proposal will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). We have reviewed the attached Environmental Checklist and critical areas checklist, and site plans. This information is attached and available from [goddardt@ci.woodland.wa.us](mailto:goddardt@ci.woodland.wa.us).

This determination is based on the following findings and conclusions:

Stormwater and erosion control will be managed throughout construction and the proposed improvements and all development standards will be met.

This DNS is issued under WAC 197-11-355 and will be final upon the completion of the comment period, which will end on **May 10<sup>th</sup>, 2023**, provided no significant impacts are identified.
