I. DESCRIPTION OF PROPOSAL

Applicant proposes to develop a new 11,500 SF light industrial building consisting of approximately 4,000 S.F. of general office space and 7,500 SF of warehouse and storage space. Primary use will be the assembly and maintenance of golf carts.

II. LOCATION OF PROPOSED DEVELOPMENT

The development is proposed at 1951 Schurman Way in Woodland Washington.

III. ENVIRONMENTAL REVIEW

Per WMC 19.08.030, Site Plan Reviews shall be reviewed by the Development Review Committee. After the close of the comment period, the City will review any comments on the impacts of the project and decide whether to proceed with issuing a decision on the project.

The City of Woodland has reviewed the proposed project for probable adverse environmental impacts and expects to issue a determination of non-significance (DNS) for this project. The optional DNS process in WAC 197-11-355 is being used. This may be your only opportunity to comment on the environmental impacts of the proposed project. The proposal may include mitigation measures under applicable codes, and the project review process may incorporate or require mitigation measures regardless of whether an Environmental Impact Statement is prepared. A copy of the subsequent threshold determination for the proposal may be obtained upon request.

Agencies, tribes, and the public are encouraged to review and comment on the proposed project and its probable environmental impacts. **Comments must be submitted by 5 p.m. on May 25th, 2022 to:**
