The City of Woodland makes no representation regarding the abilities, performance, or quality of service of the testers listed above. The City of Woodland does not assume or accept any responsibility for the actions or performance of such testers. This list is provided merely for the convenience of water service customers. Customers are to use their own judgment with respect to contract with these or any other testers.

Testers on this list have demonstrated State Certification and gauge calibration. You may use a tester not listed, but a verification of certification and gauge calibration will need to accompany the test report.
