

JOB ANNOUNCEMENT

WATER TREATMENT PLANT OPERATOR PUBLIC WORKS DEPARTMENT CITY OF WOODLAND

Full-time union position

Treatment Plant Operator Salary Range: \$30.85 - \$34.80 per hour

The City of Woodland, WA is seeking qualified candidates for the position of Water Treatment Plant Operator, level II certification preferred, for the Public Works Department. Employees in this class assist the Water Treatment Plant Superintendent in the operation and maintenance of the municipal water system facilities and the water distribution system. Work involves the operation, maintenance and repair of the treatment plant including filters, pumps, chemical systems, lagoons, reservoirs, and other duties. Work in the distribution system includes hydrant flushing, valve testing, hydrant repair, meter installations, water line repair, meter repair, water sampling, cross connection program duties, and other duties as needed to maintain the municipal water system. A detailed city application packet may be obtained at the city website. Submit completed online application at the portal at www.ci.woodland.wa.us.

Employee Benefits and Additional Compensation:

The City of Woodland provides regular full-time employees with a comprehensive benefits package which includes medical, vision, dental and life insurance, paid leave, paid holidays, flexible spending accounts, retirement and deferred compensation. Some types of employees in some positions and bargaining units might have different benefits and additional compensation.
